EXPERIENCE

UCSB housing, Goleta — UCSB maintenance

October 2022 - PRESENT

Approximate ~15 hour working weeks at the local university dormitories. Applied skills of efficient scheduling and a communicator for local residents.

Jack in the Box., Wildomar CA — Team Leader

March 2021 - September 2022

During my final year in highschool, I progressed to the role of Team Leader at the local chain restaurant in my town. This title prompted me to learn multi-tasking, money handling, and time management skills.

EDUCATION

University of California Santa Barbara, Santa Barbara CA — *Environmental Studies (BS)*

September 2022 - June 2026

Expected to graduate with a Bachelor's of Science Degree in Environmental Studies in June of 2026. I have gained extensive education of interdisciplinary topics, ranging from advanced chemistry and math to skilled writing and verbal fluency. .

PROJECTS

Cibola National Forest; Conservation Plan- July, 2024

During a summer long program at UCSB, five group members and myself took on the task of modeling a potential restoration plan for the rapidly degrading landscape of the Cibola National Forest. Through this 10-week period, we learned how to use GIS mapping technology, concise presentation methods, and remote data analysis.

SKILLS

Intermediate knowledge of data programs Excel and R

Strong communication gained from vast course-work related collaborations and cashier experience

Time management perfected through my role as a full-time student part time on-campus worker

AWARDS

Enrolled into Honors Program for Environmental Studies

Maintained ~3.2 GPA into my current year

LANGUAGES

Fluent English; Learned from school and members in my community since the age of 9

Fluent Spanish; First language, and have continued use of it into my current work and friendships
